4.0.6 ENVIRONMENTAL POLICY

ENVIRONMENTAL POLICY

MARDEN EDWARDS LTD manufactures overwrapping machines and is located on two sites at Ferndown, Dorset, UK. The Company strives for high standards in all its operations. We acknowledge our Environmental Responsibilities and have integrated our environmental accountability into our Company's operations. The Company is committed to ongoing environmental improvement and endeavours to reduce its impact on the local and global environment. The Company actively promotes the principle of sustainable development through the following measures:

1. Meet and exceed all relevant environmental legislation and introduce company standards where legislation does not exist.
2. Seek to reduce the consumption of raw materials in all operations and endeavour to use recycled material where economically feasible.
3. Regulate and improve our manufacturing process to cause the least practicable impact on the environment.
4. Liaise with suppliers and customers to improve the Company's environmental performance.
5. Co-operate with the appropriate authorities, technical organisations and relevant groups to improve our environmental performance.
6. Reduce, wherever practical, emissions to the environment through a program of waste minimisation and energy reduction per unit.
7. Undertake practical environmental training for all employees, and encourage good environmental practices at work and in the home.
8. Review the environmental objectives and targets of the Company periodically.
9. Review the contents of this Policy annually and amend if necessary.

It is the responsibility of all Employees, Contractors and Visitors to fully support this Policy through their active participation and co-operation.

The allocation of duties for Environmental matters and the particular arrangements which we will make to implement the Policy are set out in the Integrated Management System Manual.

This Environmental Policy will be displayed at all sites and may be distributed to customers, suppliers or any person, group or organisation.
