## INTEGRATED MANAGEMENT SYSTEM

### 4.0.5 QUALITY POLICY

#### QUALITY POLICY

**MARDEN EDWARDS LTD** manufactures overwrapping machines and is located on two sites at Ferndown, Dorset, UK. The Company strives for high standards in all its operations. We acknowledge our Quality Responsibilities and have integrated our product & service accountability into our Company's operations. The Company is committed to ongoing *Quality Improvement* and endeavours to offer a service to its Customers that delivers the Right Product at the Right Time, Every Time, in accordance with contractual requirements while embracing a 'Right First Time' philosophy. The Company actively promotes the principle of sustainable development and our programme of Quality and *Improvement* initiatives are aimed at achieving this through the following measures:

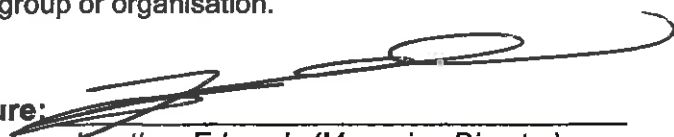

1. To obtain consistently high Product Quality a systematic and disciplined approach is called for by all Employees in the processing of a customer's requirements. To support this, the Management shall set, monitor and periodically review Quality System Objectives with the aim of improving areas of activity that affect the on time delivery of cost effective quality products.
2. The Management System Manual defines the Board & Management Team's organisational responsibilities in relation to Quality.
3. The Quality Systems Manager has been given responsibility for the effective maintenance and administration of the Management System and subsequently it's on going registration to the requirements of the applicable standards of certification and is therefore deemed to be the Management Representative with the Managing Director as the overall Owner.
4. The Company shall follow the operations and procedures as per the Management System Manual and other related documentation.
5. As part of the company's training procedure this policy shall be issued and explained at all levels of the organisation to ensure that it is understood, implemented and maintained.
6. This statement represents a commitment on behalf of **Marden Edwards Limited** to the on-going quality of Product and Services supplied to our Customers and to this Policy.
7. With this in mind the Company shall remain a technologically progressive enterprise employing skilled people to supply Products and Services of the highest quality by continuing to invest in new machinery and staff training to maintain its reputation as a world class precision engineering company.
8. Further to this, the Management System shall meet the requirements of any applicable regulatory authority.

It is the responsibility of all Employees, Contractors and Visitors to fully support this Policy through their active participation and co-operation.

The allocation of duties for Quality matters and the particular arrangements which we will make to implement the Policy are set out in the Integrated Management System Manual.

This Quality Policy will be displayed at all sites and may be distributed to customers, suppliers or any person, group or organisation.
